

Application

By submitting this online membership application, you agree to treat it as the legally binding equivalent of the standard Toastmasters International membership application, and you will be prompted to agree to all the same terms and conditions. If you prefer, you can download and sign the [PDF version](#).

Step 1: We need a little data to set up the application form and calculate the pro-rated dues (based on the month that you are joining). On the next screen, you will enter your personal data and electronically sign the application.

"New" means the member is new to Toastmasters (not just new to this club).

"Transfer" means you are currently enrolled as a paying member of another club, which you wish to withdraw from and apply credit for your dues to our club.

If you are transferring from another club, please provide as much information as possible so we can look up your records. The [Find a Club](#) feature of the toastmasters.org website can help you look up club numbers.
